CONSTITUTION OF STUDENT COUNCIL

The students' council is the representative body of the student community in the college for the purpose to serve the students. It plays a crucial role to keep the college environment healthy. It is because of the students' participation that the college is able to conduct various programs like cultural, recreational, sports and other educational activities. It is a platform for the students to present their views, ideas and suggest changes for the betterment of the institution. An implicit view behind the constitution of students' council is to improve the quality of Teacher Education in particular, and school education in general.

The IQAC is always at the forefront of taking measures to organize various seminars, conferences, workshop and other activities to give opportunity to students to participate. The programs are usually conducted with the involvement of the students in various committees making logistical and other arrangements for the smooth conduct of the activities and programs. These activities offer the students organizational and leadership opportunities.

Purpose of Student Council
