About us

A LEGACY OF TEACHER EDUCATION SINCE 2003

The institution was established with the noble vision of providing quality teacher education and physical education graduates and preparing them to become able, talented, and socially responsible educators. The college proudly bears the name of his beloved Social Reformer Ishvarchandra Vidyasagar.

The aim of our institution is to provide professional education in line with co-curricular development. Furnishing the authoritative & decision-making step towards one's goals.

Vidyasagar school samiti established Vidyasagar College in 2003. Initially the society started department of science and commerce in the college. Later on, wonderful response from the side of students encouraged the society to open other courses; hence in the year 2003, the department of education was established where M.Ed., B.Ed., B.P.Ed, and D.El.Ed courses run successfully.

The institution has the approval of Department of Higher Education, Govt. of M.P, recognized by National Council for Teacher Education (NCTE), New Delhi and affiliated to Devi Ahilya University, Indore.

MOTTO OF THE INSTITUTION

'विद्ययाऽमृतमश्नुते'

Statement of Purpose

This famous aphorism means, which states that only real knowledge or self-knowledge liberates one from the bondage of birth and death and makes one immortal.

《《《OUR VISION》》》

Vision of the college is, to produce tech savvy quality teachers through holistic teacher education by igniting young minds towards excellence in education and commitment to community. The College was conceptualized with an objective of providing opportunities for quality teacher education to its students. The Management aims at developing the College into a Centre of Excellence.

《《《OUR MISSION》》》

To promote academic excellence and create humane, self-reliant teachers to meet the local and global challenges of the society and nation. To be a leader in providing flexible, quality teacher education to the student teachers of the community. Development of a team of dedicated and competent staff, appropriate for learning environment Strengthening student-institution relationship through mutual benefit and constructive interaction Strengthening community services through human resources development. Inculcation of qualities of leadership, personality development and good citizenship in the students.

It aims to inspire students relating education to real life by providing practical field experience in order to adapt to the changes in society. improving the practical researching capacity of students

OUR INSPIRATION

Late Rameshwar Patel
Patron
VIDYASAGAR GROUP OF INSTITUTIONS

The true purpose of education is not merely to acquire bookish knowledge, but to build a sensitive and self-reliant society. When we laid the foundation of this institution, our primary objective was to provide Indian youth with a platform where they could learn to strike the right balance between

modern thinking characterized by Western inquisitiveness and Indian values. This college is not just a building; it is a symbol of nationalism and social reform. May our future generations not only leave here having gathered an ocean of knowledge, but also with a deeply ingrained sense of generosity, empathy, and responsibility towards society. May they acquire knowledge, build strong character, and contribute to the nation's progress.

Dear students, you have a world to win, nothing can stop you from attaining your chosen goals in life. The success comes from good judgments and decision to join Vidyasagar College for success.

With good wishes,

FROM THE CHAIRMAN DESK

Hon. Satyanarayan Patel ji
Chairman, Vidyasagar College, Indore

Vidyasagar College, Indore, set up by the Vidyasagar School Samiti, is one of the leading institutions of higher learning in the region today. It has been established to equip students with the necessary skills in Teacher education fields.

With a great sense of pride, I welcome you to Vidyasagar College. I am happy

to know that you are considering our institution to undergo your Teacher Education Programme. If you have decided to study in Vidyasagar College,

you will be a part of a pioneer Teacher Education Institution offering quality education. We recognize that our students have unlimited potentials and having this in mind we facilitate individual growth and development by offering innovative platforms. We help them to transform their ideas to reality by organizing several events. Our pathways into the future may be uncertain. But we think back to the triumphs and successes of this institution and understand that being together, we can cross milestones and reach excellence. The college has a state-of-the-art infrastructure and we have a dedicated team of teachers to ensure that every student is given opportunities to explore and experience innovative ideas that lead them towards excellence.

I personally invite you all to be a part of this transforming Journey. I hope you are able to utilise the enriched Learning environment for progressing further in life.

With warm regards

MESSAGE FROM THE PRINCIPAL

Prof. (Dr) Surendra Kumar Tiwari
Principal

"One book, one pen, one child and one teacher can change the world"

This profound thought captures the significance of the teaching profession and the responsibility entrusted to teacher education institutions. At our institution, we are committed to preparing educators who possess not

only sound academic knowledge but also the skills, values, and professional competencies needed to inspire, guide, and transform the lives of future generations. While ensuring excellence in the prescribed curriculum, we go beyond it through enrichment programmes, skill development initiatives, technology-enabled learning, research activities, community engagement,

and extensive field-based experiences. Our institution fosters a student-friendly environment where teaching and learning are viewed as a collaborative partnership. With well-equipped laboratories, ICT-enabled classrooms, a resource-rich library, digital learning facilities, and a serene green campus, we provide an environment that enriches both professional preparation and personal growth. As you explore our institution, you will discover a place where aspirations are nurtured, talents are refined, and future educators are empowered to lead with knowledge, compassion, and purpose. We welcome you to be part of a tradition of excellence and a future filled with possibilities.

GENERAL DISCIPLINE & CODE OF BEHAVIOUR

The College expects the students to adopt a target-oriented, mature and professional approach to their studies and their general conduct in the college. We expect students to abide by the Code of Conduct as given below:

21. Students are permitted to park their Registered Vehicles on the 'Parking Zone' reserved for them only during College Timings. Wearing of Helmet/Protective Headgear is for Two-Wheeler Riders. If any student fails to comply with the code of conduct or fails to observe any aspect of the code of conduct, strict disciplinary action may be taken against her/him by the Principal.

PROGRAMMES OFFERED

BACHELOR OF EDUCATION (B.Ed.) TWO YEAR

Curriculum

B.Ed. curriculum is designed to integrate subject knowledge, human development, pedagogical knowledge and communication skills. The programme comprises of three broad curriculum areas: Perspectives in Education, Curriculum and Pedagogic Studies and Engagement with the Field. Transactions of the course will be done using a variety of approaches such as case studies, discussions on reflective journal, observations and interactions with the community. ICT, Gender, yoga and inclusive education form an integral part of the B.Ed. curriculum.

School Internship

School internship is designed for the development of a broad repertoire of perspectives, professional capabilities, teacher's sensibilities and skills. Student teachers shall be equipped to cater to the diverse needs of learners in schools. Students are to be actively engaged in teaching for 16 weeks in the second year of the course. They shall be engaged at two levels namely upper primary classes (Class VI - VIII) and secondary (Class IX-X) or senior secondary (Class XI-XII) for (16 weeks. Student teachers shall be provided opportunities to teach in schools with systematic supervisory support and feedback from faculty.

Eligibility

You must have a Bachelor's degree (e.g., BA, BSc, B.Com) or Master's degree from a recognized university with a minimum of 50% aggregate marks.

MASTER OF EDUCATION (M.Ed.) TWO YEAR

The M.Ed. programme is designed to provide opportunities for students to extend and deepen their knowledge and understanding of education, specialize in select areas and also develop research capacities leading to specialization in elementary or secondary education. The curriculum for the two years M.Ed. programme comprises of

1. A common core that includes perspectives courses, tool courses, teacher education courses and self-development component.
2. Specialization branches where students choose to specialize in school levels.
3. Research leading.

Eligibility

You must have completed a Bachelor's degree in Education or a related field.

BACHELOR OF PHYSICAL EDUCATION (B.P.ED.) TWO YEAR

B.P.Ed. (Bachelor of Physical Education) is a 2-year professional degree program focused on physical education, sports science, and fitness training. It aims to develop skilled professionals who can work across schools, colleges, and sports institutions by applying principles of physical education, coaching, and athletic development. This course, affiliated with Devi Ahilya Vishwavidyalaya (DAVV), Indore, and recognized by the National Council for Teacher Education (NCTE), New Delhi, offers a mix of theoretical and practical training and helps students build a strong career foundation as physical education teachers, sports coaches, and fitness instructors.

Eligibility

You must have a Bachelor's degree (e.g., BA, BSc, B. Com) or Master's degree from a recognized university with a minimum of 50% aggregate marks and Sport Ability certificate.

D.EL.ED. (DIPLOMA IN ELEMENTARY EDUCATION) TWO YEAR

The Diploma in Education (D.El.Ed.) program at Vidyasagar College, Indore, affiliated with Madhya Pradesh Board of Secondary Education (MPBSE) and recognized by the National Council for Teacher Education (NCTE), New Delhi, is a two-year diploma course open to students who have completed their 10+2 with the required minimum marks. Rooted in the fundamentals of teaching and child development, the program offers a strong foundation in pedagogy, classroom management, and educational psychology-equipping students with the skills to become effective and confident primary-level teachers.

Eligibility

You must have completed 10+2 (or equivalent) from a recognized board (CBSE, ICSE, State Boards, etc.).

AMENITIES FACULTIES

The college has a team of highly qualified and experienced faculty members, including NET-qualified and doctoral degree holders. Equipped with technological pedagogical skills, they are committed to academic excellence and student support. Regular expert talks, seminars, and workshops are organized to ensure quality education and professional development.

LIBRARY

The college has a spacious, library with an extensive collection of books, encyclopaedias, dictionaries, policy documents, newspapers, magazines, and national and international journals. An Automated Library Management System ensures easy access to resources. The library also features a mezzanine floor with computer and internet facility, along with printing, scanning and photocopying services.

CLASSROOM FACILITIES

The college provides spacious, well-ventilated classrooms with room for table seating arrangements. Four lecture halls are gallery-style classrooms equipped with multi media teaching facilities and interactive whiteboards. The campus also has multipurpose halls for academic and co-curricular activities.

NETWORK RESOURCE CENTRE

The college houses a fully equipped Network Resource Centre with round-the-clock FTTH internet connectivity, providing students and research scholars unrestricted access to digital resources. With 61 computer terminals, the NRC supports practicum, projects, and dissertation work. Its multimedia facilities promote ICT integrated teaching and learning, while structured training sessions enhance students' computer literacy, internet navigation, and resource retrieval skills for academic and research purposes.

PLACEMENT CELL

Vidyasagar College has an excellent placement record, with numerous students securing positions in reputed schools. The Placement Cell actively collaborates with educational institutions to create employment opportunities and organizes campus recruitment drives. Through workshops on resume writing, interview skills, and career guidance, students are equipped with the confidence and competencies required for successful professional placement.

LABORATORIES

The college provides well-equipped Psychology, Physical Science, and Biological Science laboratories that enable students to translate theory into practice. Through hands-on experiments and guided learning experiences, students gain a deeper understanding of scientific concepts and principles. The Psychology Laboratory is furnished with essential tests, apparatus, and inventories, helping future teachers understand child behaviour, learning processes, and psychological development more effectively.

STUDENT SUPPORT

The college ensures that each day is cherished and celebrated with glory and grace. Observation of important days and celebrations make our students resourceful and equipped with all the skills required. Our students get opportunities to participate in various inter-college competitions to exhibit their talents in sports and cultural activities. Field trips and excursions are planned every year. Students visit book fair, exhibitions, special schools & industries to develop their knowledge and skills.

SPORTS AND GAMES

The college provides excellent sports facilities, including a 200-meter track, athletic event arenas, and a floodlit basketball court. Regular physical education, yoga, and meditation sessions foster students' physical fitness, mental well-being, and holistic development.

GREEN CAMPUS

Spread across 10 acres of lush greenery, the campus offers a serene and ecofriendly learning environment. The campus supports rich biodiversity and provides a natural habitat for numerous bird species. The graceful peacocks that roam and dance across the grounds add a unique charm to the vibrant green landscape.
